

# PEE WEE AA

Dear Parents,

My name is Steve Pickering and I am the Head Coach of the Pee Wee AA team. I look forward to working with what I expect to be a talented and motivated group. I feel that I can provide good guidance and aid in each player's development. I will strive to create a positive atmosphere where every player is challenged and supported by their team mates both on and off the ice.

There will be four tryout sessions the first two consisting of drills and the last two will be inter squad games. Keep an eye on the minor hockey website for updates/changes.

If you decide to tryout the coaching staff will be looking for hard work, and a positive attitude on and off the ice. I will hold a meeting 20 minutes before the first tryout to let you know how and when I will make cuts and take any questions you may have. I will also have a meeting when the team has been picked to introduce my coaching staff and talk about fundraising, tournaments etc.

In closing I would like to thank you for your time and hope to see you at the rink.

Yours in Hockey

Steve Pickering
